

Dear [Resident Name],

Welcome to [Property Name]! We are pleased to have you and your pets as part of our community.

As a household with multiple pets, we want to ensure you are familiar with our specific policies designed to keep all residents and animals safe and comfortable. Please review the following guidelines regarding your [Number] pets:

- **Registration:** All pets listed in your lease agreement ([Pet Name 1], [Pet Name 2], etc.) must have updated vaccination records and photos on file with the management office.
- **Leash Policy:** All pets must be kept on a leash at all times when in common areas, hallways, or outdoor shared spaces.
- **Waste Disposal:** Residents are responsible for the immediate pickup and proper disposal of animal waste in designated receptacles.
- **Noise Control:** Please be mindful of noise levels to ensure that multiple pets do not create a disturbance for neighboring residents.
- **Supervision:** Pets may not be left unattended on balconies, patios, or in common areas.

Please note that any changes to the number of pets in your household must be approved by management and added to your lease agreement prior to the animal entering the home.

If you have any questions regarding these policies, please contact the leasing office at [Phone Number] or [Email Address].

Sincerely,

[Property Manager Name]  
[Property Management Company]
