Dear [Name of Recipient],

Our Client has discovered that these domains are being used to host a fraudulent website that mimics our Client's official online banking portal. This unauthorized use of our Client's name, logo, and trade dress is designed to deceive customers, harvest sensitive login credentials, and facilitate financial fraud.

Your actions constitute trademark infringement, unfair competition, and violations of the Anti-Cybersquatting Consumer Protection Act (ACPA). Furthermore, your activities may involve criminal violations related to phishing and identity theft.

DEMAND IS HEREBY MADE THAT YOU IMMEDIATELY:

3. Transfer the registration of the infringing domain(s) to our Client;
4. Provide a full accounting of any customer data collected through these sites.

Failure to comply with these demands by [Insert Date/Time] will result in our Client pursuing all available legal remedies. This includes, but is not limited to, filing a lawsuit to seek injunctive relief, statutory damages, and the recovery of attorney's fees.

Governing authorities and the domain registrar have been notified of this fraudulent activity.

Govern yourself accordingly.

Sincerely,
