RE: CEASE AND DESIST - UNAUTHORIZED DATA SCRAPING AND ACCESS

Dear [Name of Recipient],

It has come to our attention that [Name of Company/Entity] is engaged in unauthorized automated data collection, commonly known as "scraping," from [Bank Name]'s digital platforms, including but not limited to our website and client portals.

Our records indicate that your automated systems are accessing protected client records and proprietary data. These actions constitute a direct violation of [Bank Name]'s Terms of Use and may violate various privacy and computer fraud laws. Such unauthorized access compromises the security of our clients' sensitive financial information and places an undue burden on our technical infrastructure.

WE HEREBY DEMAND THAT YOU:

- Immediately cease and desist all automated scraping, crawling, or data extraction activities directed at our servers;
- Permanently delete all data, including bank client records, previously obtained through these unauthorized means;
- Provide written confirmation by [Date] that you have complied with these demands and have disabled all scripts or bots targeting our domain.

Failure to comply with this demand will leave [Bank Name] with no choice but to pursue all available legal remedies, which may include seeking injunctive relief and monetary damages for breach of contract, trespass to chattels, and violations of data protection regulations.

This letter is sent without prejudice to any other rights or remedies available to [Bank Name] under applicable law.

Sincerely,
