RE: DEFAMATORY PUBLICATIONS REGARDING THE SOLVENCY OF [NAME OF BANK]

To Whom It May Concern,

This law firm represents [Name of Bank] ("the Bank"). It has come to our attention that on [Date], you published content on [Platform Name/Website] asserting that the Bank is insolvent, facing imminent collapse, or otherwise unable to meet its financial obligations.

These statements are demonstrably false, malicious, and constitute defamation per se. The Bank is in full compliance with all regulatory capital requirements and maintains a strong liquidity position. Your publications are not protected speech; rather, they are calculated falsehoods that threaten to cause a "run on the bank" and irreparable economic harm to our client and the broader financial system.

DEMAND IS HEREBY MADE THAT YOU IMMEDIATELY:

1. Remove and delete all posts, articles, and social media comments referencing the Bank's financial stability or solvency;
2. Publish a prominent retraction and apology on the same platform where the original content was posted;
3. Cease and desist from making any further false or disparaging statements regarding the Bank's financial condition.

Failure to comply with these demands by [Time/Date] will result in immediate legal action. We will seek all available remedies under the law, including but not limited to, permanent injunctive relief, compensatory damages, punitive damages, and recovery of legal fees.

Be advised that you have an affirmative duty to preserve all electronic evidence, drafts, communications, and metadata related to these publications in anticipation of litigation.

Governing yourself accordingly,
