RE: CEASE AND DESIST - DEFAMATORY STATEMENTS REGARDING SOLVENCY

Dear [Recipient Name],

It has come to our attention that you and your representatives have been disseminating false, malicious, and disparaging statements regarding the financial stability and solvency of [Your Company Name]. Specifically, we have received reports that you have informed clients and industry partners that our institution is facing imminent collapse or lacks the liquidity to meet its obligations.

These statements are categorically false. [Your Company Name] remains in a strong financial position, fully compliant with all regulatory capital requirements, and maintains robust liquidity. Your actions constitute trade libel, defamation per se, and tortious interference with business relationships.

Spreading false rumors about a financial institution's solvency is not only a civil wrong but may also violate specific state and federal statutes regarding the stability of the financial system. These actions are clearly intended to damage our reputation and induce our clients to divert their business to your firm.

DEMAND IS HEREBY MADE THAT YOU:

1. Immediately cease and desist from making any further false or disparaging statements regarding [Your Company Name]'s financial condition or solvency.
2. Provide a written assurance to this office by [Date] that you have stopped these activities.
3. Issue a retraction to any parties to whom these false statements were previously communicated.

Failure to comply with this demand will leave us with no choice but to pursue all available legal remedies, including seeking injunctive relief and monetary damages for lost business and damage to our professional reputation.

This letter is formal notice of a legal dispute. You are further instructed to preserve all records, including emails, text messages, and call logs, related to communications regarding [Your Company Name].

Govern yourself accordingly.

Sincerely,
