- Remove all download links, source code repositories, and promotional materials from any websites or platforms under your control.
- Provide a written accounting of all parties to whom the software has been distributed or sold.
- Confirm in writing that all copies of the software in your possession have been permanently deleted.

Failure to comply with these demands by [Insert Date/Time] will leave our client with no choice but to pursue formal legal action. This may include seeking injunctive relief, monetary damages, statutory damages for copyright infringement, and recovery of all legal fees.

Govern yourself accordingly.
