RE: LETTER OF FINANCIAL SUPPORT FOR [SUBSIDIARY NAME]

Dear Sir/Madam,

This letter is provided in connection with the preparation of the financial statements of **[Subsidiary Name]** (the "Subsidiary") for the year ended **[Date]**.

[Parent Company Name] (the "Parent Company") hereby confirms its intention to provide the Subsidiary with such financial support as is necessary to enable the Subsidiary to continue its operations and to meet its liabilities as they fall due for a period of at least twelve months from the date of approval of these financial statements.

The Parent Company confirms that it has the necessary resources to provide this support and that it will not seek repayment of any intercompany loans or balances during this period if such repayment would cause the Subsidiary to be unable to pay its other creditors in the ordinary course of business.

This letter is not intended to create a direct legal obligation to third-party creditors but serves as a formal statement of the Parent Company's policy and intent regarding the financial stability of the Subsidiary.

Yours faithfully,
