Dear [Partner Contact Name],

Welcome to our network of Cyber Liability Business Partners. We are excited to collaborate with [Partner Company] to provide comprehensive digital protection and risk management solutions to our mutual clients.

As a valued partner, you now have access to our suite of cyber security resources, including:

- Priority underwriting for cyber liability policies.
- Specialized breach response and forensic toolkits.
- Educational materials on emerging digital threats.
- Dedicated partner support via our agent portal.

Your account manager, [Account Manager Name], will contact you shortly to schedule an onboarding session. This meeting will cover our quoting process, policy structures, and how to effectively position our cyber products in the current market.

In the meantime, you can access your partner dashboard at [URL] using your temporary credentials. For any immediate assistance, please email [Email Address] or call [Phone Number].

We look forward to a successful and secure partnership.

Best regards,
