Subject: Urgent Request for Expedited Replacement of Compromised Debit Card

To Customer Service / Fraud Department,

I am writing to formally report that my debit card associated with account number [Account Number] has been compromised. I identified unauthorized activity on [Date] and have already contacted your fraud department via telephone to disable the card ending in [Last 4 Digits of Old Card].

Due to the security breach and the fact that this is my primary method of payment for essential living expenses, I am requesting an **expedited replacement** of my debit card. I understand that expedited shipping may incur a fee, which I authorize you to deduct from my account balance.

Please deliver the new card to my address on file via overnight or priority shipping. Once the card has been dispatched, please provide a tracking number via [Phone/Email].

Additionally, please ensure that all recurring payments and digital wallet tokens associated with the old card are terminated immediately to prevent further unauthorized charges.

Thank you for your prompt attention to this matter.

Sincerely,
