Re: Formal Demand Regarding Revocation of Business Line of Credit

Account Number: [Your Account Number]

To Whom It May Concern,

I am writing to formally protest the sudden revocation/suspension of the business line of credit associated with the above-referenced account, effective as of [Date of Revocation].

Our records indicate that [Business Name] has maintained this account in good standing, meeting all repayment obligations and complying with the terms of our Credit Agreement dated [Date of Original Agreement]. The abrupt withdrawal of these funds without prior notice or a valid justification based on a breach of contract has caused significant disruption to our business operations.

Specifically, we demand the following:

- A written explanation detailing the specific contractual basis for this revocation.
- A full reinstatement of the line of credit to its previous limit of \$[Amount].
- A copy of any recent credit reviews or internal reports used to justify this decision.

If the line of credit is not reinstated or a satisfactory explanation is not provided within [Number, e.g., 10] business days, we will be forced to explore all legal remedies available to us, including reporting this matter to the Consumer Financial Protection Bureau (CFPB) or relevant state regulatory bodies.

We value our banking relationship and hope to resolve this matter amicably and promptly.

Sincerely,

[Your Signature]
