**Subject: Formal Grievance Regarding Discriminatory Pricing Practices**

Dear [Name of Recipient or Customer Service Manager],

I am writing to formally lodge a grievance regarding the fees associated with [Name of Product or Service] under Account/Reference Number [Number].

It has come to my attention that the fees I am being charged are significantly higher than those charged to other clients for identical services. Based on my review of the situation, there appears to be no objective or service-related justification for this discrepancy. I am concerned that these fees have been calculated based on demographic factors, such as [mention specific factor if known, e.g., zip code, age, gender, or ethnicity], rather than on individual merit or usage.

I believe this practice is unjustifiable and may be in violation of [mention relevant consumer protection or anti-discrimination laws if known]. As a consumer, I expect transparent and equitable pricing that is free from demographic bias.

I request that you:

- Provide a detailed breakdown and explanation of the criteria used to determine my specific fee structure.
- Explain why my rates differ from the standard rates offered to other demographics.
- Adjust my fees to reflect a fair and non-discriminatory rate.
- Refund any overcharges incurred to date.

Please provide a written response to this grievance within [Number] business days. I hope to resolve this matter amicably; however, I am prepared to escalate this complaint to the relevant regulatory bodies or consumer protection agencies if a satisfactory explanation and correction are not provided.

Thank you for your prompt attention to this serious matter.

Sincerely,
