RE: Notice of Financing Application Status - [Application Number]

Dear [Applicant Name],

Thank you for your recent application for industrial equipment financing regarding the [Equipment Model/Name].

We regret to inform you that we are unable to approve your financing request at this time. This decision was reached because we were unable to successfully verify the business income or financial information provided in your application.

Specifically, the determination was based on the following:

- Inability to confirm stated annual gross revenue.
- Discrepancies between provided financial statements and third-party verification.
- Insufficient documentation to support debt-to-income requirements.

If there are additional documents, such as certified tax returns, audited financial statements, or updated bank records that may clarify your financial position, we are willing to conduct a secondary review of your file.

Under the Equal Credit Opportunity Act, you have the right to a statement of specific reasons for this action if you request it within 60 days of this notification. Please contact our compliance department at [Phone Number] or [Email Address] for further assistance.

Thank you for your interest in our financing programs.

Sincerely,
