

Subject: URGENT: Unrecognized Login Attempt Detected on Your Account

Dear [Customer Name],

This is an automated notification to inform you that we detected a recent login to your [Company/Service Name] account from an unrecognized device or location.

Login Details:

- **Date:** [Date]
- **Time:** [Time]
- **IP Address:** [IP Address]
- **Location:** [City, Country]
- **Device/Browser:** [Device Type / Browser Name]

If this was you, you can disregard this message. No further action is required.

If this was NOT you:

Your account security may be compromised. Please take the following steps immediately:

1. Log in to your account and change your password.
2. Review your account settings and recent transactions for any unauthorized changes.
3. Enable Two-Factor Authentication (2FA) if you haven't already.

If you are unable to access your account, please contact our security team immediately at [Support Link/Phone Number].

Thank you for your prompt attention to this matter.

Sincerely,

[Company Name] Security Team
