RE: Debt Validation Request for Case Number: [Insert Court Case Number]

To Whom It May Concern,

I am writing to formally request validation and verification of the debt you are seeking to collect, which is purportedly based on a judgment entered against me.

Pursuant to my rights under the Fair Debt Collection Practices Act (FDCPA) and applicable state laws, please provide the following documentation:

- A certified copy of the final judgment issued by the court.
- The name and address of the court that entered the judgment.
- The date the judgment was entered.
- A full breakdown of the total amount alleged to be owed, including the original judgment amount, post-judgment interest, and any legal fees or costs added.
- Proof of your legal authority to collect this specific judgment debt.

If you cannot provide the aforementioned documentation, I request that you cease all collection activities and update my credit reports to reflect that this account is disputed.

Please note that this letter is not an acknowledgment of the debt or a waiver of any rights to challenge the underlying judgment or the methods of collection.

I look forward to receiving the requested documentation within thirty (30) days of your receipt of this letter.

Sincerely,
