Re: Comprehensive Capital Analysis and Review (CCAR) [Year] Attestation

Dear Sir/Madam,

In connection with the capital plan submission of [Legal Name of Financial Institution] (the "Firm") dated [Date], I, [CEO Name], Chief Executive Officer of the Firm, hereby provide this attestation as required by the Capital Plan Rule (12 CFR 225.8).

I certify that:

1. I have reviewed the Firm's capital plan and the results of the internal stress tests included in the submission.
2. The information contained in the capital plan and the supporting data submitted via the FR Y-14A reports are, to the best of my knowledge, material and accurate.
3. The Firm's capital planning process is robust and conforms to the regulatory requirements and guidance provided by the Federal Reserve.
4. The internal controls surrounding the capital planning process, including the models, data, and assumptions used, have been validated and are appropriate for the Firm's risk profile and complexity.

The Firm remains committed to maintaining a strong capital position and ensuring that our capital planning processes continue to meet the highest standards of integrity and transparency.

Sincerely,

[Signature]
