Subject: URGENT: Security Alert Regarding Your Account

Dear [Customer Name],

This is an automated notification to inform you of suspicious activity detected on your account: [Account Number/Username].

Our security system identified the following unusual transaction or login attempt:

- **Activity Type:** [e.g., Login / Purchase / Password Change]
- **Date/Time:** [Insert Date and Time]
- **Location/IP Address:** [Insert Location or IP]

If this was you, you can disregard this message. No further action is required.

If this was NOT you, please take the following steps immediately:

1. Log in to your account through our official website and change your password.
2. Review your recent transaction history for any additional unauthorized activity.
3. Enable Two-Factor Authentication (2FA) if you have not already done so.
4. Contact our Fraud Department at [Phone Number] or [Email Address].

For your protection, we have [temporarily restricted/locked] certain features of your account until we can verify your identity.

Thank you for your prompt attention to this security matter.

Sincerely,

[Company Name] Security Team
