ADDENDUM TO RATE LOCK AGREEMENT

This Addendum is an amendment to the original Rate Lock Agreement dated [Insert Original Lock Date].

1. REASON FOR EXTENSION

The original rate lock expiration date of [Insert Current Expiration Date] cannot be met due to internal processing delays caused by the Lender. As these delays are not the fault of the Borrower(s), the Lender has approved a complimentary extension of the interest rate lock.

The interest rate lock for the above-referenced loan is hereby extended to [Insert New Expiration Date].

3. TERMS AND CONDITIONS

All other terms, conditions, and interest rate specifications set forth in the original Rate Lock Agreement remain in full force and effect. No extension fees will be charged to the Borrower(s) for this specific extension period.
