Subject: Verification of Child Support Income

To Whom It May Concern,

I am providing this letter and the attached documentation to verify the child support payments I receive for the support of my child(ren), [Child Name(s)].

Currently, I receive payments in the amount of \$[Amount] per [Month/Week]. These payments are mandated by a legal court order issued by [Court Name/County] under Case Number [Case Number].

Please find the following documents attached as proof of receipt and continuity:

- Copy of the signed Court Order/Divorce Decree.
- Payment history/ledgers from the [State Agency Name].
- Bank statements showing deposits for the last [Number] months.

I confirm that I expect these payments to continue for at least the next three years, as the child(ren) will not reach the age of majority before [Date]. There are no pending legal actions that would change or terminate these payments at this time.

If you require any further information, please contact me at [Phone Number] or [Email Address].

Sincerely,
