

Dear [Hiring Manager Name],

I am pleased to submit [**Candidate Name**] for the position of [**Job Title**]. While [Candidate Name] comes from the [**Candidate's Current Industry**] sector, they possess a rare and highly specialized skillset in [**Specific Niche Skill**] that is directly transferable to our needs in the [**Target Industry**] industry.

Candidate Profile Highlights:

- **Niche Expertise:** Over [Number] years of experience mastering [Specific Skill/Technology].
- **Cross-Industry Value:** Proven ability to apply [Technical Skill] to solve complex problems such as [Specific Example of Achievement].
- **Adaptability:** A track record of translating technical requirements across different business environments.

In our screening, [Candidate Name] demonstrated how their unique background provides a fresh perspective on [**Specific Project or Pain Point**] currently facing your team. I believe their mastery of [Niche Skill] will provide a significant competitive advantage that traditional industry candidates may lack.

I have attached the resume for your review and would like to schedule a brief call to discuss how their specific expertise aligns with your goals.

Best regards,

[Your Name]
[Your Title]
[Your Company]
