

Subject: Re-engaging with [Agency Name] / New Opportunity: [Job Title]

Dear [Recruiter Name],

I hope this email finds you well. It has been some time since we last spoke regarding my career search, and I am writing to re-engage with your agency.

Since our last contact, I have further developed my skills in [Skill 1] and [Skill 2]. I noticed that your agency is currently representing a [Job Title] position for [Company Name, if known, or "a client in the Industry"]. Based on the requirements, I believe my background is a strong match for this specific role.

I have attached my updated resume for your review. I would welcome the opportunity to interview with you to discuss how my recent experience aligns with this new opening and any other relevant roles you may be managing.

Are you available for a brief call or a virtual meeting on [Date] at [Time]? If not, please let me know a time that works best for your schedule.

Thank you for your time and I look forward to working with you again.

Best regards,
