To Whom It May Concern,

I am writing to recommend [Applicant Name] for a position as a Certified Welder. During their time at [Company Name] from [Start Date] to [End Date], I served as [Applicant Name]'s [Manager/Supervisor/Colleague].

[Applicant Name] has demonstrated exceptional technical proficiency in various welding processes, including [SMAW, GMAW, GTAW, and/or FCAW]. They are highly skilled in reading blueprints, interpreting weld symbols, and performing precise layouts. Their work consistently meets industry standards and passes rigorous non-destructive testing (NDT), including visual and X-ray inspections.

Key technical strengths include:

- Mastery of [Specific Metals, e.g., Carbon Steel, Stainless Steel, Aluminum].
- Expert ability to operate plasma cutters, grinders, and shop machinery.
- Strict adherence to AWS/ASME codes and safety protocols.
- Strong understanding of metallurgy and heat control.

Beyond technical skills, [Applicant Name] is a reliable professional who maintains a clean workspace and meets tight production deadlines without compromising quality. They work effectively both independently and as part of a fabrication team.

I highly recommend [Applicant Name] for any welding or fabrication role. Please feel free to contact me if you require further information regarding their qualifications.

Sincerely,
