Date: [Insert Date]

To: [Recipient Name/Building Authority/Client Name]

Project Address: [Full Address of Commercial Site]

Subject: Verification of Commercial Plumbing Workmanship

To whom it may concern,

This letter serves to formally verify that all plumbing installation and repair work performed at the above-mentioned location between [Start Date] and [Completion Date] was executed by [Company Name] in accordance with standard commercial trade practices.

The scope of work included, but was not limited to:

- [Description of Work - e.g., Sanitary drainage system installation]
- [Description of Work - e.g., Commercial water heater setup]
- [Description of Work - e.g., Backflow preventer testing and installation]
- [Description of Work - e.g., Natural gas piping]

I hereby certify that:

1. All work was performed by qualified and licensed personnel.
2. The materials used meet or exceed local commercial building codes and industry standards.
3. The system has been pressure tested and inspected for leaks or defects.
4. All installations comply with the [Specify State/Local Plumbing Code].

Based on our final inspection, the plumbing system is confirmed to be in good working order and the workmanship is guaranteed for a period of [Insert Warranty Period] from the date of completion.

Should you require further documentation or have any questions regarding this project, please contact me directly at [Phone Number].

Sincerely,

[Signature]
