

Dear [Candidate Name],

Thank you for giving us the opportunity to review your application for the [Job Title] position at [Company Name].

After careful consideration of your qualifications and our recent interview, we have decided not to move forward with your candidacy at this time. While your background is impressive, we are currently looking for a candidate with more specialized experience in [Specific Financial Area, e.g., Regulatory Compliance, Derivatives Trading, or FinTech Frameworks].

The current demands of this role require a deeper technical knowledge of the specific financial instruments and market regulations mentioned in the job description which we feel were not fully aligned with your current profile.

We appreciate the time you invested in our recruitment process. We will keep your resume on file for future openings that may be a better match for your skill set.

We wish you the best of luck in your professional endeavors.

Best regards,

[Your Name]
