

Subject: Update regarding your application to our resume database

Dear [Candidate Name],

Thank you for your interest in joining the talent community at [Company Name]. We appreciate the time you took to submit your resume for consideration in our general database.

Due to the high volume of profiles we currently maintain and the specific requirements of our active talent pools, we are unable to add your resume to our database at this time. As a result, your information will not be stored for future outreach.

Please note that this decision is specific to our current database capacity and does not prevent you from applying directly to specific job openings that match your qualifications in the future. We encourage you to monitor our careers page for individual vacancies that align with your experience.

We wish you the best of luck in your current job search.

Best regards,
