

Subject: Update on your remote work application - [Candidate Name]

Dear [Candidate Name],

Thank you for your interest in the [Job Title] position and for taking the time to discuss your remote work setup with us.

After reviewing the technical requirements for this role and your current remote environment, we regret to inform you that we cannot proceed with your application at this time. Our assessment indicates that your current remote infrastructure does not meet the specific technical standards required to perform the duties of this position effectively.

Specifically, the role requires [mention specific requirement, e.g., high-speed fiber internet / a dedicated secure hardware connection / specialized data security protocols] which is currently unavailable or incompatible with your workspace.

We appreciate the time you invested in the interview process and wish you the best of luck in your job search.

Best regards,
