[Company Name]
[Company Address]

Dear [Hiring Manager Name],

I am writing to express my strong interest in joining [Company Name] as a Software Engineer. Having followed your recent work in [mention a specific company product or recent news], I am impressed by your commitment to [mention a company value or technical goal]. I am confident that my technical expertise in [mention 1-2 key technologies] can provide immediate value to your engineering team.

Currently, I am [mention current role or recent achievement]. I specialize in building scalable applications and streamlining development workflows. Some of my recent impacts include:

- [Achievement 1: e.g., Reduced latency by X% by optimizing database queries.]
- [Achievement 2: e.g., Led the migration of a legacy system to a microservices architecture.]
- [Achievement 3: e.g., Automated deployment pipelines, saving the team X hours per week.]

I am particularly drawn to [Company Name] because of your focus on [mention a specific technical challenge the company faces]. I am ready to hit the ground running and contribute to your upcoming projects from day one.

I have attached my resume for your review and would welcome the opportunity to discuss how my skills can support [Company Name]'s growth. Thank you for your time and consideration.

Sincerely,

[Your Name]
