

Subject: Strategic Leadership for [Company Name]'s Next Phase

Dear [Founder/CEO Name],

Congratulations on the recent [Series A/B/C] funding round. Seeing [Company Name] reach this milestone is a testament to the team's vision and the market traction you have built in the [Industry] space.

As you move from product-market fit to rapid scaling, the complexity of your leadership needs shifts significantly. Having partnered with several [VC Name] portfolio companies, I understand that the priority now is often building a robust executive layer to manage this growth.

I am reaching out because our firm specializes in placing [specific roles, e.g., VP Sales, CTO, or CFO] who have successfully navigated the transition from [Current Stage] to [Target Stage]. We have a pre-vetted network of leaders who thrive in high-growth environments and possess the specific operational rigor your current roadmap requires.

I would appreciate the opportunity to learn more about your hiring priorities for the coming quarters and share how our targeted search process can help you secure the right talent quickly.

Are you available for a brief introductory call next [Day] at [Time]?

Best regards,
