

Subject: Scaling [Company Name] | Strategic Talent Acquisition for Series A

Dear [Founder/CEO Name],

Congratulations on your recent Series A funding round. Reaching this milestone is a testament to the product and vision you have built at [Company Name].

As you prepare to scale from a core team to a high-growth organization, the complexity of hiring changes. I am writing to propose a strategic partnership to help you secure the specialized talent required to meet your new growth KPIs without compromising your culture.

I specialize in helping Series A startups solve three critical challenges:

- **Technical Leadership:** Identifying and closing "Level 2" engineering and product leaders.
- **Go-To-Market Scaling:** Building out the initial sales and marketing engines.
- **Process Foundation:** Implementing scalable interview loops and employer branding that attracts top-tier talent in a competitive market.

I have followed [Company Name]'s progress in [Industry/Sector] and believe my network of high-growth veterans would be a strong match for your current trajectory.

Do you have 15 minutes next Tuesday or Wednesday to discuss your hiring roadmap for the next two quarters?

Best regards,
