

Subject: Optimizing Talent Strategy for [VC Firm Name] Portfolio Companies

Dear [Partner Name],

I am writing to you because of [VC Firm Name]'s impressive track record with investments in [Sector/Industry]. Having followed your portfolio's growth, I understand that scaling human capital is often the most significant challenge your founders face after a funding round.

I represent [Your Agency Name], a talent acquisition firm specializing in [Specific Niche, e.g., Series A SaaS Engineering]. We help venture-backed companies accelerate their hiring velocity without compromising on candidate quality.

We offer a tailored partnership model designed specifically for portfolio companies, including:

- **Executive Search:** Building out the C-suite and VP layers.
- **Technical Scaling:** Rapidly hiring engineering and product teams.
- **Embedded Recruiting:** Acting as an internal talent function for early-stage startups.
- **Exclusive Portfolio Rates:** Preferred pricing structures for [VC Firm Name] companies.

We have previously helped companies like [Company A] and [Company B] reduce their time-to-hire by [X]% and would love to provide the same value to your current founders.

Are you available for a brief introductory call next [Day of the week] to discuss how we can support your portfolio's growth objectives?

Best regards,

[Your Name]
