Subject: Availability for Blockchain Architecture Consulting - [Project Name/Company Name]

Dear [Recipient Name],

I am writing to formally express my interest in providing blockchain architecture consulting services for [Company Name]. Following our recent discussion regarding your upcoming project, I am pleased to confirm my availability to assist with your technical requirements.

Currently, I have the capacity to take on new engagements starting from [Start Date]. My availability for this project is as follows:

- **Weekly Capacity:** [Number] hours per week.
- **Duration:** Available for a period of [Number] months/weeks.
- **Engagement Model:** [Remote / On-site / Hybrid].

My expertise in designing [Specific Blockchains, e.g., Ethereum, Hyperledger, Polygon] and implementing [Specific Features, e.g., Smart Contracts, Layer 2 scaling, Consensus Mechanisms] aligns closely with the goals of your initiative. I am prepared to help define your technical roadmap, select the appropriate stack, and oversee the architectural integrity of your decentralized solution.

Please let me know if you would like to schedule a follow-up call to discuss the project timeline and specific deliverables in more detail.

Sincerely,

[Your Signature]
