Subject: Availability for Embedded Systems Engineering Specialist Role

Dear [Hiring Manager Name],

I am writing to formally confirm my interest in the Embedded Systems Engineering Specialist position at [Company Name] and to provide my current availability for interviews and a potential start date.

I am available for interviews during the following windows:

- [Day of week], [Date]: [Time Range]
- [Day of week], [Date]: [Time Range]
- [Day of week], [Date]: [Time Range]

Should I be selected for the role, my earliest available start date is [Date], allowing for a [Number]-week notice period with my current employer.

With my background in [Specific Microcontrollers/RTOS], hardware abstraction layer (HAL) development, and low-level firmware optimization, I am eager to contribute to the engineering team at [Company Name].

I look forward to discussing how my technical skills in C/C++, assembly, and circuit debugging align with your project requirements.

Sincerely,

[Your Signature]
