[Title]
[Company Name]
[Company Address]

Dear [Hiring Manager Name],

I am writing to express my strong interest in joining [Company Name] as an Artificial Intelligence Engineer, specifically within the field of [Insert Your Niche, e.g., Generative Adversarial Networks / Natural Language Processing for Healthcare / Reinforcement Learning]. Having followed [Company Name]'s recent work on [Mention a specific project or product], I am impressed by your commitment to innovation in [Industry/Field].

Currently, I am [Current Role/Student Status] at [Current Organization], where I have focused on [Briefly describe your specialization]. My technical expertise includes [List 3-4 key technical skills or frameworks, e.g., PyTorch, TensorFlow, LLM Fine-tuning]. During my recent project involving [Project Name/Topic], I successfully [Mention a quantifiable achievement, e.g., reduced latency by 20% or improved model accuracy by 15%].

I am particularly drawn to [Company Name] because of your unique approach to [Mention a specific company value or technical challenge]. I am confident that my specialized knowledge in [Your Niche] would allow me to contribute immediately to your engineering team and help scale your AI initiatives.

I have attached my resume and portfolio for your review. I would welcome the opportunity to discuss how my background in [Your Niche] aligns with the future goals of [Company Name]. Even if there are no current openings, I would appreciate the chance to connect for a brief introductory conversation.

Thank you for your time and consideration.

Sincerely,

[Your Name]
