

Subject: Strategic Growth: Optimizing [Target Country] Market Operations

Dear [Recipient Name],

As [Company Name] continues to scale its presence in [Target Country], the success of your market operations depends on leadership that understands both global strategy and local execution.

I am reaching out because I specialize in cross-border talent acquisition, specifically for operational roles that bridge the gap between international headquarters and regional teams. My network includes vetted professionals with proven track records in:

- Local regulatory compliance and licensing
- Supply chain and logistics optimization in [Region]
- Building high-performance local operational teams
- Adapting global products for local market nuances

I have recently helped companies similar to yours reduce their time-to-hire for key regional roles by [Percentage]%, ensuring a seamless cultural and operational fit from day one.

Are you available for a brief introductory call on [Day] or [Day] to discuss your current expansion roadmap and how our specialized talent pipeline can support your [Year] objectives?

Best regards,
