

Subject: Scaling [Company Name] with Compliant Global Talent

Dear [Recipient Name],

I am reaching out because many companies in the [Recipient Industry] sector are currently facing challenges in sourcing specialized talent locally while managing the legal complexities of international hiring.

Our organization specializes in global remote staffing solutions that allow you to hire the best talent worldwide without the administrative burden. We handle the following on your behalf:

- **Full Legal Compliance:** We manage local labor laws, contracts, and taxes in over [Number] countries.
- **Employer of Record (EOR) Services:** We act as the legal employer so you don't have to set up local entities.
- **Simplified Payroll:** Consolidate your global team into one monthly invoice in your preferred currency.
- **Vetted Talent Pool:** Access to a pre-screened network of professionals ready to integrate into your workflow.

By leveraging our infrastructure, [Company Name] can reduce overhead costs by up to [Percentage]% while ensuring 100% compliance with international regulations.

Are you open to a 10-minute call next Tuesday or Wednesday to discuss how we can support your global growth strategy?

Best regards,
