

# Background Check and Data Verification Consent

**Date:** [Date]

**To:** [Company Name]

I, [Full Name], hereby authorize [Company Name] and its designated agents to conduct a comprehensive background check and verify the data provided in my application for [Employment/Volunteer Position/Tenancy].

I understand that this verification may include, but is not limited to, the following:

- Identity and Social Security number verification
- Educational qualifications and degrees
- Employment history and professional references
- Criminal records and background history
- Credit history (if applicable to the position)
- Professional licenses and certifications

I authorize any individual, corporation, institution, or government agency to release any relevant information to [Company Name] or its agents. I hereby release [Company Name], its agents, and all parties providing information from any and all liability or claims that may arise from the investigation.

This authorization is valid for the duration of the application process and, if hired, throughout the period of my engagement with the company to the extent permitted by law.

A photocopy or electronic version of this consent form shall be considered as valid as the original.
