Subject: Verification of Welder Certification and Industry Standard Compliance

To Whom It May Concern,

This letter serves to formally verify the employment and certification status of **[Welder's Full Name]**. The aforementioned individual is currently employed at **[Company Name]** as a **[Job Title]** and has been active in this role since **[Start Date]**.

We confirm that [Welder's Name] has demonstrated proficiency and maintains valid certifications in accordance with the following industry standards:

- **Standard/Code:** [e.g., AWS D1.1, ASME Section IX, API 1104]
- **Welding Process:** [e.g., GMAW, GTAW, SMAW, FCAW]
- **Certification ID:** [ID Number]
- **Expiration Date:** [Date]

During the period of **[Start Date]** to **[End Date/Present]**, the welder has consistently performed welding operations that meet or exceed the quality requirements specified by the standards listed above. Performance has been verified through [Visual Inspection / Radiographic Testing / Ultrasonic Testing] as per our internal Quality Assurance protocols.

Should you require any additional documentation regarding continuity logs, procedure qualification records (PQR), or welding procedure specifications (WPS), please feel free to contact us directly.

Sincerely,

[Signature]
