Subject: Application for Volume Hiring Discount - [Your Company Name]

Dear [Recipient Name],

I am writing to formally apply for a volume hiring discount regarding our upcoming recruitment cycle. As per our previous discussions, [Your Company Name] intends to hire approximately [Number] new employees through your platform over the next [Time Period].

Given the significant scale of this recruitment drive, we would like to request a revised billing structure or a volume-based discount on the following services:

- [Service/Product 1]
- [Service/Product 2]

We value our partnership with [Recipient Company Name] and believe that this high-volume commitment warrants a more cost-effective pricing model. We are prepared to prepay for these slots or sign an annual commitment if it facilitates a more favorable rate.

Please let us know the available discount tiers or provide a custom quote based on these projected numbers. We look forward to your proposal.

Best regards,

[Your Name]
