RE: LEGAL OPINION REGARDING PARTIAL SUSPENSION DUE TO GOVERNMENT MANDATE

To Whom It May Concern,

This letter provides our formal opinion regarding whether the operations of [Company Name] were subject to a partial suspension of business activities due to government mandates during the period of [Start Date] to [End Date].

I. Executive Summary

Based on our review of the relevant federal, state, and local orders, it is our professional opinion that [Company Name] experienced a partial suspension of its business operations. This suspension was a direct result of government orders that restricted [describe specific activity, e.g., indoor dining, capacity limits, or travel].

II. Applicable Government Mandates

The following specific orders were identified as having a direct impact on business operations:

- [Order Name/Number], issued by [Issuing Authority], effective [Date].
- [Order Name/Number], issued by [Issuing Authority], effective [Date].

III. Analysis of Impact

Under these mandates, the company was required to:

- [Detail Restriction 1: e.g., Close physical storefronts to the public].
- [Detail Restriction 2: e.g., Limit occupancy to X% of normal capacity].
- [Detail Restriction 3: e.g., Cease all in-person meetings and non-essential travel].

These restrictions constituted a "more than nominal" impact on the company's ability to provide goods or services in the usual course of business.

IV. Conclusion

In conclusion, the restrictions imposed by the aforementioned government mandates qualify as a partial suspension of operations. The company's reliance on this determination is consistent with the regulatory guidelines provided for the period in question.

Sincerely,
