RE: Notice of Bankruptcy Discharge Verification and Dispute Resolution Outcome

Account Number: [Your Account Number]

Bankruptcy Case Number: [Your Case Number]

To Whom It May Concern,

I am writing to formally provide notification regarding the successful discharge of my bankruptcy and the final resolution of the dispute previously filed concerning the above-referenced account.

The U.S. Bankruptcy Court for the [District Name] has officially issued a Discharge Order on [Date of Discharge]. Under the provisions of the United States Bankruptcy Code, this discharge prohibits any further collection actions on the debts included in the filing.

I have reviewed my recent records and the outcome of the dispute resolution process. Please ensure that your internal records and reports to the credit reporting agencies (Equifax, Experian, and TransUnion) accurately reflect the following:

- The account status is updated to "Discharged in Bankruptcy."
- The current balance is reported as \$0.00.
- Any past due amounts or late payment markers occurring after the filing date are removed.

Attached to this letter, please find a copy of the official Discharge Order for your records. This documentation serves as legal verification that I am no longer personally liable for this debt.

Please provide written confirmation within 30 days that your records have been updated and that the dispute resolution has been fully implemented in accordance with federal law.

Sincerely,

[Your Signature]
