RE: Request for Permission to Install Satellite Dish at [Your Address]

Dear [Property Manager or Landlord Name],

I am writing to formally request permission to install a satellite dish at my residence located at [Your Address].

Below are the details regarding the proposed installation:

- **Service Provider:** [Name of Provider, e.g., DirecTV, Dish Network]
- **Dish Size:** [e.g., 18-inch / 1-meter or less]
- **Proposed Location:** [e.g., Balcony railing, rear exterior wall, or tripod mount]
- **Installation Method:** [e.g., Non-penetrating mount, bolt-on bracket]

I understand that I am responsible for all costs associated with the installation, maintenance, and eventual removal of the equipment. I ensure that the installation will be performed by a certified professional and will comply with all local building codes and safety regulations.

I am aware of the FCC Over-the-Air Reception Devices (OTARD) rules and intend to ensure the placement remains within my exclusive use area while minimizing any aesthetic impact on the property.

Please let me know if there are specific guidelines I need to follow or if you require additional documentation from the service provider. I look forward to your written approval.

Sincerely,

[Your Signature]
[Your Printed Name]
