Re: Application for Safety Feature Premium Discount - Policy #[Your Policy Number]

Dear [Contact Name or Department],

I am writing to formally request a review of my current insurance premium for my short-term rental property located at [Property Address]. I have recently upgraded the property with several safety features and would like to apply for any available safety-related discounts or credits.

The following safety enhancements have been installed and are fully operational:

- **Fire Safety:** [e.g., Smart smoke and carbon monoxide detectors, fire extinguishers on every floor, fire blankets in kitchen].
- **Security:** [e.g., Smart locks with unique guest codes, exterior security cameras, ring doorbell].
- **Water Leak Detection:** [e.g., Automatic water shut-off valves or smart moisture sensors].
- **General Safety:** [e.g., Hardwired emergency lighting, first aid kits, or monitored alarm system].

I have attached documentation, including receipts and photographs of the installed devices, to this letter for your verification.

Please let me know if these upgrades qualify for a premium reduction and what the next steps are to update my policy. I look forward to hearing from you soon.

Sincerely,

[Your Signature]
