RE: Request for Agreed Value Policy Adjustment

Policy Number: [Your Policy Number]

Vehicle: [Year, Make, Model]

VIN: [Vehicle Identification Number]

Dear [Agent Name or Underwriting Department],

I am writing to formally request an upward adjustment to the "Agreed Value" of the classic vehicle insured under the aforementioned policy. Based on current market trends and the condition of the vehicle, I believe the current coverage limit no longer reflects its true replacement value.

The vehicle is currently insured for \$[Current Amount]. I am requesting that the Agreed Value be increased to \$[New Requested Amount].

To support this adjustment, I have enclosed the following documentation:

- Recent professional appraisal report (dated [Date])
- Recent photographs showing the vehicle's current condition
- Records of recent restorations or upgrades (if applicable)
- Market data and comparable sales for similar vehicles

Please review the attached information and provide an updated policy endorsement reflecting the new value. Please also advise if there will be a change to my premium as a result of this adjustment.

Thank you for your assistance. I look forward to receiving the updated documents.

Sincerely,

[Your Signature]
