**Subject: Renewal Notice for Policy #[Policy Number] - Agreed Value Confirmation**

Dear [Policyholder Name],

Your classic car insurance policy is due for renewal on [Expiration Date]. To ensure your vehicle remains properly protected, we have reviewed your current coverage.

The following vehicle is currently insured under an **Agreed Value** contract:

- **Year:** [Year]
- **Make:** [Make]
- **Model:** [Model]
- **VIN:** [VIN Number]
- **Current Agreed Value:** \$[Amount]

In the event of a total loss, this is the guaranteed amount you will receive (less any deductible), regardless of market depreciation. We recommend reviewing this value to ensure it still reflects the current market price for a vehicle of this condition.

**Next Steps:**

- If you agree with the current value, no action is required regarding the valuation.
- If you believe the value has increased due to restoration or market shifts, please submit a recent appraisal or updated photos for review.
- Please review the enclosed renewal schedule for your updated premium details.

To maintain continuous coverage, please submit your renewal payment by [Due Date]. You can pay online at [Website] or by calling [Phone Number].

Thank you for choosing [Insurance Company Name] to protect your classic vehicle.

Sincerely,
