Date: [Insert Date]

To All Residents of: [Insert Building/Address]

Please be advised that a technician from [Pest Control Company Name] will be performing seasonal preventative maintenance on the following date(s):

Service Date: [Insert Date of Service]

Time Window: [Insert Time, e.g., 9:00 AM - 4:00 PM]

Purpose of Visit:

This is a routine seasonal inspection and preventative treatment to protect your home against common pests such as ants, spiders, and rodents. This service is part of our commitment to maintaining a healthy living environment.

Entry Requirements:

As per your lease agreement, management and authorized contractors will require entry to your unit to complete this service. If you have a security alarm, please ensure it is deactivated or provide a temporary code.

Resident Instructions:

- Please ensure all pets are secured in a crate or removed from the premises during the service window.
- Clear items away from baseboards and under sinks if possible.
- You do not need to be present for this service.

If you have any questions or have noticed specific pest issues in your unit, please contact the management office at [Phone Number] or [Email Address].

Thank you for your cooperation.

Sincerely,

Building Management
