**RE: Renewal of Scheduled Farm and Ranch Equipment Coverage**

Policy Number: [Policy Number]

Expiration Date: [Date]

Dear [Insured Name],

Your Scheduled Farm and Ranch Equipment coverage is approaching its renewal date. To ensure your machinery and tools remain properly protected, we have enclosed a current schedule of the equipment covered under your policy.

Please review the attached list and note any of the following changes:

- **Additions:** Any new tractors, implements, or tools purchased this year.
- **Deletions:** Equipment that has been sold, traded, or retired.
- **Value Adjustments:** Changes in the current market value of your equipment to ensure you are not over-insured or under-insured.

If the attached schedule is accurate and no changes are needed, your policy will automatically renew with the premium indicated on your upcoming billing statement.

If you need to make updates, please contact our office at [Phone Number] or [Email Address] by [Deadline Date] so we can adjust your coverage accordingly.

Thank you for choosing [Agency/Company Name] for your farm and ranch insurance needs.

Sincerely,
