

Dear [Teen's Name],

Congratulations on officially earning your driver's license! This is a huge milestone and a reflection of all the hard work and practice you have put in over the last several months.

I also want to say thank you. Thank you for being patient during our practice sessions, for listening to feedback, and for demonstrating that you take the responsibility of being behind the wheel seriously. Your commitment to safety makes me very proud.

Driving offers a new sense of freedom, but it also comes with the duty to protect yourself and others on the road. I trust you to continue making smart decisions, staying focused, and following the rules we discussed.

Enjoy this new chapter and stay safe out there!

With love and pride,

[Your Name]
