Subject: Acknowledgment of Home Security Installation and Policy Update

Dear [Name of Contact Person or Department],

I hereby acknowledge that a home security system has been professionally installed at the following address: [Insert Property Address].

By signing this letter, I confirm the following:

- I have been informed of the specific hardware installed, including cameras, sensors, and alarms.
- I have received a copy of the updated Security Policy and have read and understood the terms.
- I understand my responsibilities regarding the operation of the system and the privacy protocols outlined in the policy.
- I agree to comply with all guidelines regarding data storage, emergency alerts, and system maintenance.

I understand that any unauthorized tampering with the equipment or violation of the security policy may result in [Insert Consequence or Disciplinary Action].

Please find my signature below as formal acceptance of these updates.

Sincerely,

---
